Opening Session

Bring your laptop and cell phone to Thursday's opening session at **9:00 a.m. in Ballroom A/B**. Make sure your laptop is charged before you come!

Please power up and connect to the network upon arriving at the opening session to avoid large numbers of attendees connecting simultaneously. Use the network access information listed on the flyer inserted in your conference program to connect.

Construction Zone

Located near the front entrance of the Convention Center is the Construction Zone! Grab a chair, connect with other conference attendees, and collaborate online. Power, laptops, wireless connectivity, and interactive boards will be available for use.

**NCTIES is affiliated
with ISTE
and NCASA**

Please take time to visit the exhibit area and
thank our sponsors and vendors!
